Making decisions around uni?

Deciding on a course and provider can be tough with so many options, make it easier with these three simple steps.

Search and compare courses

Course Seeker is a national course comparison tool which allows you to search over 8500 courses from 150 providers.

Explore, select and compare up to four different courses in one place; by ATAR, campus, mode of study, study area and location. Visit courseseeker.edu.au.

Find out what current students and recent graduates say about their study area or provider

ComparED allows you to make side by side comparisons including: quality of the overall educational experience, satisfaction of recent graduates, outcomes of students moving into full-time employment after graduation, and the median salary received by recent graduates. Visit compared.edu.au.

How will I pay for my course?

Find out if you are eligible for a Commonwealth supported place or Higher Education Loan Program (HELP) loan, and how to check your available HELP balance. There's also information on support for students facing financial hardship, as well as available Government scholarships. Visit studyassist.gov.au.

Just 3 small steps to start your journey!
